YOU'RE A HEF HERO!

The Henrico Education Foundation's 3rd Annual Excellence in Education Dinner took place on February 9, 2023, at the Greater Richmond Convention Center. This year, we chose to celebrate and honor the many partners who have made our growth and impact possible. You are HEF Heroes, and your investment in Henrico County students provides opportunities for their growth and success. View photos, watch a magical video of Greenwood students, and make a donation by visiting our dinner page.
