

## 2024-25 LifeReady Solutions Cycle 2

School	Grant Title	Recipient	Number Impacted	Funding Amount	Description
Nuckols Farm Elementary	Inclusive Leadership: Cultivating Tomorrow's Change-Makers in Fifth Grade	Amanda Kinsler, Brandtin Holscher, Jaclyn Claytor	429	\$5,200	This grant seeks to provide all fifth-grade students at Nuckols Farm with leadership opportunities, fostering a school culture of inclusion and leadership while strengthening the durable skills outlined in the Henrico Learner Profile.
Varina High School	Unboxing Analytical and Creative Thinking Skills in the Library	Cate Sossong, Patrick Gallegos	1,492	\$3,298	We aim to increase collaboration between the school library and classroom teachers by providing exciting, hands-on, project-based lessons that both address classroom curriculum needs and provide higher engagement for students.
Trevvett Elementary	Hear Us Roar: Giving Young Performers the Tools to Shine	Jessica Sop, Kristine Lara	196	\$6,351.69	The "Hear Us Roar" grant aims to enhance Trevvett Elementary's performing arts programming, including step, dance, cheer, drumming, and ukulele, in an effort to support students' social-emotional growth, address equity issues, incentivize attendance and engage families through the arts.
Art Department in partnership with Donahoe, Longdale, Longan and Skipwith Elementary Schools; Brookland and Elko Middle Schools; and Freeman, Hermitage and Tucker High Schools.	Zoom in on Engagement in the Art Room	Ashley Melnichak, Laura Van Bylandt	4,376	\$1,980	This project brings the most advanced document cameras to visual art teachers to encourage engagement and make art more accessible to everyone.
Quioccasin Middle	Clean Water Innovators: Investigating Water Quality and Public Health Impact	Anne Hampton, Maggie Tucker, Shayla Harris	1,773	\$22,025	This place-based learning experience is centered around human impacts and environmental issues that affect our access to clean water, anchoring abstract concepts in real-world contexts granting students the chance to think critically and take informed action through civic engagement.

**2024-2025 Total Cycle 2 Innovative Grant Funding: \$38,855**

**Total Number Impacted: 8,626 Students, Teachers and Parents**
